Order Instituting Rulemaking to Implement the  
California Renewables Portfolio Standard  
Program.

Rulemaking 04-04-026  
(Filed April 22, 2004)

**ADMINISTRATIVE LAW JUDGE'S RULING REVISING SCHEDULE FOR  
SUBMISSION OF COMMENTS**

The Assigned Commissioner's Ruling Disclosing Market Price Referents for the Renewables Portfolio Standard Program and Establishing New Filing Dates for Draft RPS Procurement Plans, dated February 4, 2005, set a schedule for filing of the utilities' draft 2005 RPS procurement plans and comments on them. San Diego Gas & Electric Company (SDG&E), pursuant to Rule 48 of the Commission's Rules of Practice and Procedure, subsequently requested an extension of the deadline to file its draft procurement plan and draft Request for Offers (RFO). This request was granted by a letter of the Executive Director dated March 3, 2005. The March 3 letter also made other changes in the comment schedule. Parties have recently pointed out that these additional changes were not communicated as clearly as they might have been, and have led to some misunderstandings about the time for filing comments.

In order to allow a full opportunity for comments, the schedule is hereby revised as set forth below. No other changes to any other schedules or obligations of the parties are being made in this ruling.

SDG&E's draft procurement plan filed	4/15/05
All utilities' draft RFOs filed	4/15/05
Comments on PG&E and SCE draft procurement plans	4/21/05
Reply comments on PG&E and SCE draft procurement plans	5/6/05
Comments on SDG&E draft procurement plan	5/6/05
Comments on all utilities' draft RFOs	5/6/05
Reply comments on SDG&E draft procurement plan	5/13/05
Reply comments on all utilities' draft RFOs	5/13/05

**IT IS RULED** that:

1. The schedule for this proceeding is revised as set forth above.
2. No changes to any previously scheduled obligations of the parties are made other than those set forth above.

Dated April 19, 2005, at San Francisco, California.
